ABOUT US

The staff of Online Management Solutions Ltd is trained on providing services for establishing and developing new entrepreneurial activities, as well as providing online services for businesses, and especially the media.

Our Vision

The website managementstartup.com was created by Online Management Solutions Ltd.

It stands as one of our first creations and it focuses on developing and providing research tools that can help people who are close to their entrepreneurial startup.

Management Startup was created by people with a high educational level and vast experience in the field of research and development of new tools for entrepreneurship.

GENERAL DESCRIPTION

The tool Daily Cash Tracking records the cash flow of your business on a daily basis. All cash flows are recorded every day, such as cash available from incomes, deposits in the bank, use of credit cards so that the entrepreneur has a precise picture of the cash flow of the business in relation to sales.

After completing all fields of the tool and exporting the results you are given the opportunity to print it out so as to have the respective file with all daily cash flows.

TOOL USAGE

It can be used by the entrepreneur and other employees of the business, if they are responsible for the cash register and cash flow.
