# ABOUT US

The staff of Online Management Solutions Ltd is trained on providing services for establishing and developing new entrepreneurial activities, as well as providing online services for businesses, and especially the media.

## Our Vision

The website [managementstartup.com](http://managementstartup.com) was created by Online Management Solutions Ltd.

It stands as one of our first creations and it focuses on developing and providing research tools that can help people who are close to their entrepreneurial startup.

Management Startup was created by people with a high educational level and vast experience in the field of research and development of new tools for entrepreneurship.

# GENERAL DESCRIPTION

The standard Revenues - Expenses helps the entrepreneur to record an overall financial picture of the business. The entrepreneur and / or user of the tool will be able to record and monitor on a daily or weekly basis (we do not recommend using the tool for a period longer than a week) total credits (income) and debits (costs) of the company. He will be in a position to, ie, monitor costs of the operation, checks, fixed expenses, suppliers. The comparison of revenues and expenses on a daily or weekly basis will help the entrepreneur in planning actions to improve the first and / or reduction of the latter.

# TOOL USAGE

It can be used by the entrepreneur himself or from the financial and/or accounting management of the company.
