ABOUT US

The staff of Online Management Solutions Ltd is trained on providing services for establishing and developing new entrepreneurial activities, as well as providing online services for businesses, and especially the media.

Our Vision

The website managementstartup.com was created by Online Management Solutions Ltd.

It stands as one of our first creations and it focuses on developing and providing research tools that can help people who are close to their entrepreneurial startup.

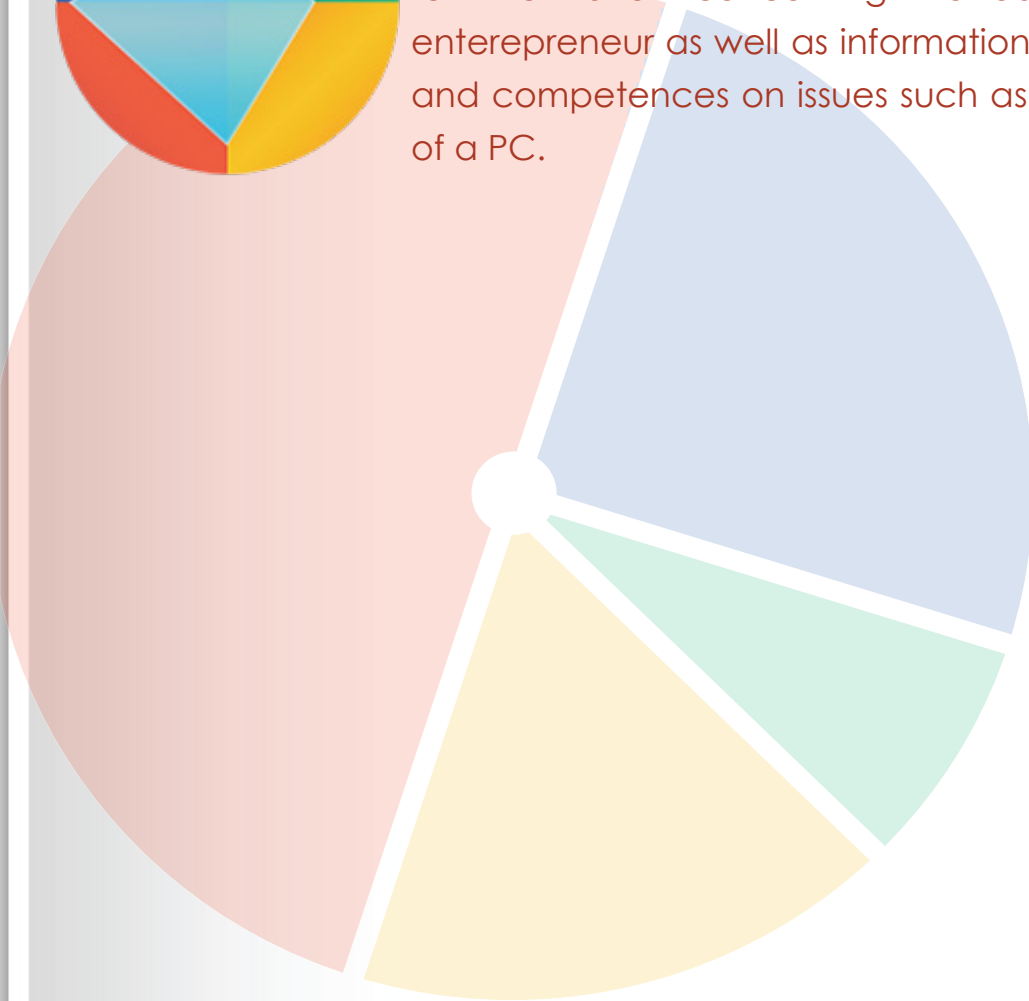

Management Startup was created by people with a high educational level and vast experience in the field of research and development of new tools for entrepreneurship.

GENERAL DESCRIPTION

The first step asks for basic information concerning the enterprise (name, contact information etc.) as well as information concerning the entrepreneur. The second step asks for information concerning the educational level of the entrepreneur as well as information concerning his/her skills and competences on issues such as languages and the use of a PC.
