ABOUT US

The staff of Online Management Solutions Ltd is trained on providing services for establishing and developing new entrepreneurial activities, as well as providing online services for businesses, and especially the media.

Our Vision

The website managementstartup.com was created by Online Management Solutions Ltd.

It stands as one of our first creations and it focuses on developing and providing research tools that can help people who are close to their entrepreneurial startup.

Management Startup was created by people with a high educational level and vast experience in the field of research and development of new tools for entrepreneurship.

GENERAL DESCRIPTION

This tool "Credit danger" gives you the opportunity to check your financial abilities. Specifically, you will be able to detect the level of danger you are in and take action to avoid further financial problems. Better management of your financials will help you to build a creditworthiness profile and will release you from additional lending charges.

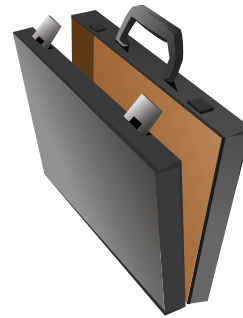

TOOL USAGE

This tool can be used by any kind of borrower, such as the entrepreneur himself or the manager of the business.
